**Faith in Acts | Journal Prompts**

Take a minute to talk with God as you prepare to read His living and breathing Word.

Prayer to begin:

*God, help us grow deeper in our faith through engaging Scripture and obeying your call to put our faith into action.*

Write out a verse that is standing out from this chapter:

Pray and ask God, “Can you show me why this verse is sticking out?” (Is it conviction? Hope? Gratitude? A want or desire I have?) Record what you notice.

What is this passage teaching me about God’s character/my identity/others’ identities?

Pray and ask God, “Can you show me how I can apply this Scripture to put my faith into action?” Record what you notice.

What is my next step in showing compassion in action this week?
